RETURNS & REFUNDS

All sales of product are final. No refunds, No Returns, No exchanges once they have left ConcreteDECO.

It is the customer's responsibility to verify they are ordering the correct size and quantity for their job.

We highly recommend customers come look at the products in person at our facility. There are always variations in natural materials, and they do vary from time to time.

ConcreteDECO precast products are made in the United States, in the state of Utah. Products are made with a minimum of 4000 PSI concrete mix, 7 bag engineered 60/40 pea gravel with air-entrained, super plasticizer and microfiber. All pavers are reinforced with pencil rod or rebar mesh depending on the size.

Our mud mix provider for the 2024 season is American Eagle Ready Mix located in Magna, Utah.

Pavers, steppingstones, pads and slabs are designed for foot traffic ONLY.
